

**BV Patel Education Foundation
(Ahmedabad)**

Announces

14th Training Workshop (Hands-On)

for

APPLICATION of HPLC AND GC/GCHS IN PHARMACEUTICALS

in Association with

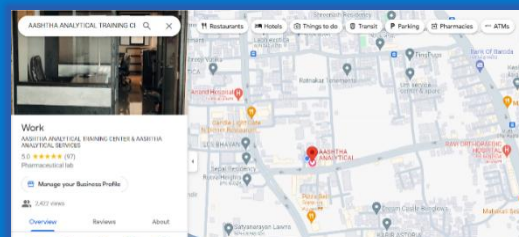

**AASHTHA ANALYTICAL
TRAINING CENTER (Vadodara)**

From: 07-09-2026 to 11-09-2026 (5 days)

at

**Aashtha Analytical Training Center
Vadodara**

Workshop Highlights

HPLC:

- Basics of HPLC, Hardware and Software (Make: Waters with Empower3 software)
- Preparation of Mobile phase and sample preparation
- Assay/Related substance analysis, Chromatogram interpretation, processing (integration), and reporting the results.

GC/GCHS:

- Basics of GC/GCHS, Hardware and software (Make: Perkin Elmer with Totalchrom software)
- Standard and sample preparation
- %Purity, Residual solvent analysis, Chromatogram interpretation, processing (integration), and reporting the results.

Additional Coverage:

- GMP/GLP/GDP
- Analytical Method Validation as per ICH guideline

Take Away from the workshop:

- ✓ This workshop course is a finishing school training program which will enhance the knowledge and understanding of the participants about pharma analysis in general and about HPLC, GC and GCHS.
- ✓ The training will also help the participants to understand the pharma analysis requirement. The training aims to help fresh graduate and post graduate aspirants waiting for their turn to get absorbed in pharma giants and sub giants.
- ✓ This course will reduce their waiting period as it will refine them as skilled technologists ready to handle day-to-day challenges in QA, QC and analytical department.

About BV Patel Education Foundation

- ✓ BV Patel Education Foundation (formerly known as Shri Bhupendra V. Patel Education Foundation and earlier known as Shri B.V. Patel Education Trust), is named after the First Drug Controller of Gujarat State Shri Bhupendra Bhai V. Patel.
- ✓ Vision and Mission of the Foundation are to organize and conduct educational programs in the field of pharmacy and allied sciences and to support pharma industry and academia with skilled manpower, scientists, technocrats and management professionals.
- ✓ To achieve this aim, the Foundation organizes Hands on Training Workshops, Faculty Development Programmes, Technician Development Programmes with various Universities, Colleges, Private Laboratories, Companies and institutions across India.
- ✓ The Foundation also conducts Certificate Courses for pharma and allied science graduates to prepare them for industry oriented skilled human resources. The Foundation is also working to come up with innovative programmes to support students and promote educational activities across India in healthcare.

About Aashtha Analytical Training Center & Services

- ✓ Aashtha Analytical Services is an ISO 9001:2015 certified laboratory.
- ✓ Aashtha Analytical Training Center and Services was established in the year 2022 and provides different scientific training certification courses and project work on different sophisticated instruments of pharmaceutical/chemical industries which is driven by personnels who are qualified, skilled, expert, and have extensive experience of working with well-known pharma industries.
- ✓ Its mission is to fill the gap between academic education and industries, To provide an educational environment that promotes the relationship between career preparation and employment opportunities. To develop skill and knowledge that significantly increases 'on-job productivity' of our course participants.

About The Faculty

Mr. Ankit Darji (M.Sc. Chemistry)

- ✓ Mr. Ankit Darji brings over 20+ years of expertise from leading pharmaceutical companies including Zydus Cadila, Alembic Pharma, Sun Pharma, and Ami Lifesciences Pvt. Ltd.
His career spans key functions in Quality Control (QC), Analytical Development Laboratory (ADL), and GLP sections.
- ✓ Currently, he also serves his analytical expertise as a “Professor of Practice” at Parul University-Vadodara, where he shares his analytical excellence and industry insights as well as providing hands-on training to aspiring professionals and students.

✓ Registration Fees-

Rs. 1000/- (Only 10 seats)

✓ Eligibility-

B. Pharm/M. Pharm/ M.Sc. / B.Sc. / Faculty member/
Industry personnel.

✓ Certification-

Certificates will be awarded only to participants who maintain 100% attendance and complete the feedback form of the program.

“Last Date for Registration: August 30, 2026”
